UNDERSTANDING YOUR **MEDICAL JOURNEY**

1

First Contact

The patient **contacts MPGCARE** through social media or our other communication channels.

2

Preliminary Assessment

The patient's concerns are discussed, and **current medical reports** are requested for review.

3

Specialist Physician Evaluation

The patient's records are shared with **the most suitable specialists in Turkey** to request a tailored treatment plan.

4

Treatment Plan & Proforma Preparation

Based on the physician's recommendation, the hospital team prepares a proforma **including cost and duration** details.

YOUR TREATMENT IN 8 SIMPLE STEPS

Patient Approval & Appointment

The proforma is sent to the patient. Upon approval, the treatment **appointment is scheduled**.

5

Arrival in Türkiye & Organization

The patient's arrival is organized. **Following the airport greeting**, they are transferred to their hotel or hospital.

6

Treatment & Process Management

During the treatment, **the MPGCARE team ensures coordination** and provides continuous support to the patient.

7

Return Transfer

After the treatment is completed, the patient is **transferred to the airport** for their journey home.

YOUR SATISFACTION IS OUR GREATEST MOTIVATION

Sebastian W.

I found the discipline and professionalism I was looking for right here. My doctor was very reassuring, and the organization was simply flawless from start to finish.

Elena R.

I felt special every moment. Thanks to my doctor's experience and the team's close attention, my treatment process was much more comfortable than I expected.

Lado G.

I was anxious until I arrived in Istanbul from Tbilisi. However, thanks to the MPGCARE team's warm welcome and my doctor's expertise, everything went perfectly.

Kouassi K.

My treatment and stay were managed perfectly. Beyond the expert doctors, having the MPGCARE team by my side at every step gave me great confidence.
